Price discussed with band, if any _____

Guidelines:

1. The Community Music Partnership is a joint effort of the Louisville Metro Council and the Louisville Federation of Musicians (Local 11-637) to provide musical support to neighborhood organizations, block-watch clubs, council-sponsored events and senior citizen clubs within the community.
2. Musical support provided by the Community Music Partnership may not be used in support of political activities, religious activities, or for the benefit of daycares, or public or private or parochial schools.
3. To apply, requesting organizations attach a letter to this completed form stating the nature of the event, that it is free and open to the public, that the requesting organization is not-for-profit, and how Louisville Metro will receive recognition as a sponsor of the musical support. When complete, forward these documents to your Metro Council member.
